Company Overview:

The Noble Group is a Houston-based independent firm founded in 1996 by Tom Noble. Tom and his team focus on 401(k) Consulting, Wealth Management and Financial Planning. Serving both the Houston and Dallas markets, the professionals at The Noble Group are ranked in the top 1% of all Raymond James Financial Services advisors in terms of revenue, with assets under management exceeding \$1B, which ranks the team 2nd out of 3,300 offices nationwide. This ranking, along with a client retention rate of nearly 100% is evidence of the teams tireless dedication to serving their clients with excellence and passion.

Year Founded:

1995

Core Services:

- 401(k) Consulting
- Wealth Management
- Executive Benefits
- Financial Planning

What Makes Us Different:

What differentiates us from our competitors is simple. We have been dedicated to the retirement industry longer than most (26 years). We offer assistance to the plan to help mitigate risk. Our ability to offer complimenting services including Wealth Management and Financial Planning is among the attributes that make us a company with one of the most robust service offerings in the industry.

A Snapshot of Our Client List: Due to confidentiality, we are not permitted to disclose specific client names.
